

# Hazardous Waste - “Very Small Quantity Generator Program”

## **Making an Appointment**

Businesses that generate Very Small Quantities of Hazardous Waste may deliver it to the County hazardous waste collection site in San Carlos by appointment. To schedule an appointment for the **first or third Wednesday of each month, between 10:00 a.m. and 2:00 p.m. visit the website below:**

- The Very Small Quantity Generator (VSQG) program is open to businesses with less than or equal to 27 gallons or 220 lbs of hazardous materials per month.
- “Businesses” include government, non-profit organizations and schools.
- Approximate disposal fees and further details are listed on the [San Mateo County's website](#).

### *Licensed Contractor*

A business with **more than** 27 gallons or 220 lbs of hazardous material must dispose of their material through a licensed contractor. Look in the phone book under Waste Disposal-Hazardous to find contractors who are authorized to collect this material. A list of licensed contractors is also available at the [San Mateo County Department of Environmental Health](#).

\*\*For information on recycling other items, please visit the San Mateo County [RecycleWorks Website](#) or call 1-888-442-2666.
