

FREE Water Conservation Items

For Menlo Park Municipal Water District
Customers Only

FREE Water Efficient Landscaping CD

This user friendly CD enables the incorporation of beautiful water efficient plants and garden techniques into gardens.

Contents of this CD include:

- Searchable plant database and shopping list feature
- Watering recommendations
- A searchable gardening guide

For a virtual tour of this CD, click here

http://www.bawsca.org/tour_of_software.pdf.

To request a **FREE** copy of the Water Wise Gardening CD, please contact the Menlo Park Municipal Water District at 330-6740 or email rmwheeler@menlopark.org. Be certain to provide your mailing address. Only one CD per Menlo Park address.

FREE Water Conserving Fixtures Available

It has been a dry year. Water reservoirs are not at expected capacity. Your help is needed to conserve our water supply. Every bit makes a difference.

Request and install a **FREE** low-flow bathroom aerator, kitchen aerator, and/or showerhead. Limit of one of each item per Menlo Park Municipal Water District household. Multiple water districts serve the City of Menlo Park. Look for the City tree logo on your bill.

Bathroom Aerator—1.0 GPM
Kitchen Aerator-1.5 GPM
Low-Flow Showerhead-1.5 GPM

To request these items call **330-6740** or email rmwheeler@menlopark.org. Please provide your mailing address, and specify the items desired.
