E-IKON, LLC
plikekar@e-iKon.com
OVERVIEW

E-Ikon, LLC. is pleased to submit a proposal to provide Information Technology Consulting Services for City of Menlo Park IT Division. E-Ikon specializes in providing services in all aspects of government technology such as Cybersecurity, Infrastructure, Networking, Telecommunications, and Enterprise Software. E-Ikon serves its public agency clients typically in strategy, program, and project management. We are currently serving as a consultant to the City of Menlo Park, and working on its IT Master Plan initiatives, strategy, and operational projects.

Our work is centered on five main areas. They are as follows:

- **Cyber Security and Technical Infrastructure** – Recommend improvements in the areas of cybersecurity, datacenter, networking, software applications and databases, and peripherals that are a part of the City’s IT ecosystem.
- **IT Services and delivery** – Support IT Manager to improve service management methodology; and knowledge and skillsets of staff.
- **Custom Software and Application Development Services** – Develop custom software to meet the specific needs of the organization.
- **Advisory** – Advise the IT Division on policy and governance, process development and streamlining, and tools that support IT planning and investment decisions.
- **Contract management**: Support IT to manage its contract renewals, and negotiate new contracts and services with vendors on IT initiatives and projects.

THE OPPORTUNITY

While working with the IT manager, in the last few months we have had the opportunity to assist in developing a roadmap in alignment with the City of Menlo Park’s IT Master Plan. These projects range from infrastructure upgrades and improvements such as the Council Audio/Visual systems, software upgrades to core financial systems, Land Management, Asset Management, Data and Content Management, continuous improvement to the cybersecurity posture of the City, along with achieving operational efficiencies and cost reductions. We have already worked on several of the projects that are marked as complete in Attachment 1. We are actively working on other projects that require project and program management for which we have the knowledge, experience, and expertise towards providing a successful implementation. Importantly, we have till now helped save the organization over $50,000 by recommending new support and maintenance contracts; and re-negotiating the existing ones.

OUR PROPOSAL

E-Ikon, LLC will provide consulting and project management services to IT Division for all the projects listed in Attachment 1. In addition, we will also support IT with the following services:

- Advise and guide the IT Manager on various technology initiatives and succession planning opportunities.
• Work closely with the IT manager to maintain a strong cybersecurity posture and managing IT initiatives in all areas (security, infrastructure, software, and web).
• Perform program and project management for infrastructure, network, security, and software.
• Work with the IT Manager to guide and develop the fiscal year operating budget.
• Prepare project reports, dashboards, and executive briefings’ presentations.
• Through observations, identify organizational initiatives to improve customer service and service delivery effectiveness.

E-Ikon, LLC will also utilize our knowledge and expertise to provide meaningful and sustainable improvements that are compatible with the broader goals and objectives of the organization. Performance of this work will be driven by the following philosophy and approach:

1. Identify strategic, implementable, and sustainable improvement initiatives.
2. Find solutions to increase the effectiveness of Information Technology Services in a cost-effective manner.
3. Understand and value the past, but focus on the present and future needs.
4. Importance of aligning City Council priorities with fiscal realities.

CONTRACT TERMS

We propose performing the work on a time and material basis. The terms of the contract will be a six (6) month contract starting from January 1, 2020, to June 30, 2020, with the option to renew annually for a total of three (3) year term.

BILLING RATES

The rates displayed in the fee schedule below reflect E-Ikon’s current fee structure. Hourly rates will be subject to change on July 1 of every fiscal year and will increase by 5% annually.

Following is the fee schedule for all the services offered by E-Ikon, LLC for the term starting January 1, 2020, to June 30, 2020.

STAFF REPORT

City Council
Meeting Date: 11/12/2019
Staff Report Number: 19-246-CC

Consent Calendar: Authorize the city manager to enter into a professional services agreement with E-Ikon, LLC for information technology consultation services for six months, with an annual option to renew up to two years, not to exceed the budgeted amount each fiscal year

Recommendation
Staff recommends that the City Council authorize the city manager to enter into a professional services agreement with E-Ikon, LLC for information technology consultation services for six months (January – June 2020,) with an annual option to renew up to two years, not to exceed the budgeted amount each fiscal year.

Policy Issues
This recommendation supports implementation of the information technology master plan (ITMP,) included in the City Council’s current workplan.

Background
On July 10, the City entered into professional services agreement #002718 with E-Ikon, LLC to provide information technology consultation services for a period of approximately six-months. This contract is expected to be fully expended by December 31.

E-Ikon was established in 2007, remaining a local, minority, woman-owned company. It provides an array of information technology services, including system and network design, technology implementation, strategic advice, identifying cost-efficiencies, and process development and streamlining.

Analysis
Since July, E-Ikon, LLC has worked with our information technology team to improve network integrity, negotiate contracts, streamline contract services and advance ITMP projects. E-Ikon, LLC has demonstrated immense industry knowledge, quickly recognizing the City’s information technology environment and recommending efficiencies to save personnel and financial resources.

Staff recommends that E-Ikon, LLC continue to support staff with highly complex technical expertise, project management, and streamlining and negotiating of information technology services. It is estimated the costs for this work during the period of January – June 2020 will be $76,000. Some specific results that E-Ikon, LLC would deliver are included in Attachment A.
Impact on City Resources
Consultant support for information technology is included in the adopted fiscal year 2019-20 budget. An internal service fund was created at the time of adoption of the ITMP to support plan activities. This fund would be drawn down to pay for information technology consultant services, and is included in the budget adoption process each fiscal year. Additionally, the savings E-Ikon, LLC has achieved through contract negotiations and alternative information technology solutions reduces the actual cost.

Environmental Review
This action is not a project within the meaning of the California Environmental Quality Act (CEQA) Guidelines §§ 15378 and 15061(b)(3) as it will not result in any direct or indirect physical change in the environment.

Public Notice
Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.

Notice of an intended assignment or transfer shall be furnished promptly to the CITY.

B. In the event there is a change of more than 30 percent of the stock ownership or ownership in FIRST PARTY from the date of this agreement is executed, then CITY shall be notified before the date of said change of stock ownership or interest and CITY shall have the right, in event of such change in stock ownership or interest, to terminate this agreement upon notice to FIRST PARTY. In the event CITY is not notified of any such change in stock ownership or interest, then upon knowledge of same, it shall be deemed that CITY has terminated this agreement.

14. OWNERSHIP OF WORK PRODUCT

Work products of FIRST PARTY for this project, which are delivered under this agreement or which are developed, produced and paid for under this agreement, shall become the property of CITY. The reuse of FIRST PARTY’s work products by City for purposes other than intended by this agreement shall be at no risk to FIRST PARTY.

15. REPRESENTATION OF WORK

Any and all representations of FIRST PARTY, in connection with the work performed or the information supplied, shall not apply to any other project or site, except the project described in Exhibit "A" or as otherwise specified in Exhibit "A."

16. TERMINATION OF AGREEMENT

A. CITY may give thirty (30) days written notice to FIRST PARTY, terminating this agreement in whole or in part at any time, either for CITY’s convenience or because of the failure of FIRST PARTY to fulfill its contractual obligations or because of FIRST PARTY’s change of its assigned personnel on the project without prior CITY approval. Upon receipt of such notice, FIRST PARTY shall:
   1. Immediately discontinue all services affected (unless the notice directs otherwise); and
   2. Deliver to the CITY all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated or produced by FIRST PARTY in performing work under this agreement, whether completed or in process.

B. If termination is for the convenience of CITY, an equitable adjustment in the contract price shall be made, but no amount shall be allowed for anticipated profit on unperformed services.

C. If the termination is due to the failure of FIRST PARTY to fulfill its agreement, CITY may take over the work and prosecute the same to completion by agreement or otherwise. In such case, FIRST PARTY shall be liable to CITY for any reasonable additional cost occasioned to the CITY thereby.

D. If, after notice of termination for failure to fulfill agreement obligations, it is determined that FIRST PARTY had not so failed, the termination shall be deemed to have been effected for the convenience of the CITY. In such event, adjustment in the contract price shall be made as provided in Paragraph B of this Section.

E. The rights and remedies of the CITY provided in this Section are in addition to any other rights and remedies provided by law or under this agreement.

F. Subject to the foregoing provisions, the CITY shall pay FIRST PARTY for services performed and expenses incurred through the termination date.
17. INSPECTION OF WORK

It is FIRST PARTY’s obligation to make the work product available for CITY’s inspections and periodic reviews upon request by CITY.

18. COMPLIANCE WITH LAWS

It shall be the responsibility of FIRST PARTY to comply with all State and Federal Laws applicable to the work and services provided pursuant to this agreement, including but not limited to compliance with prevailing wage laws, if applicable.

19. BREACH OF AGREEMENT

A. This agreement is governed by applicable federal and state statutes and regulations. Any material deviation by FIRST PARTY for any reason from the requirements thereof, or from any other provision of this agreement, shall constitute a breach of this agreement and may be cause for termination at the election of the CITY.

B. The CITY reserves the right to waive any and all breaches of this agreement, and any such waiver shall not be deemed a waiver of any previous or subsequent breaches. In the event the CITY chooses to waive a particular breach of this agreement, it may condition same on payment by FIRST PARTY of actual damages occasioned by such breach of agreement.

20. SEVERABILITY

The provisions of this agreement are severable. If any portion of this agreement is held invalid by a court of competent jurisdiction, the remainder of the agreement shall remain in full force and effect unless amended or modified by the mutual consent of the parties.

21. CAPTIONS

The captions of this agreement are for convenience and reference only and shall not define, explain, modify, limit, exemplify, or aid in the interpretation, construction, or meaning of any provisions of this agreement.

22. LITIGATION OR ARBITRATION

In the event that suit or arbitration is brought to enforce the terms of this agreement, the prevailing party shall be entitled to litigation costs and reasonable attorneys’ fees. The Dispute Resolution provisions are set forth on Exhibit “B,” ‘Dispute Resolution’ attached hereto and by this reference incorporated herein.

23. RETENTION OF RECORDS

Contractor shall maintain all required records for three years after the City makes final payment and all other pending matters are closed, and shall be subject to the examination and/or audit of the City, a federal agency, and the state of California.

24. TERM OF AGREEMENT

This agreement shall remain in effect for the period of June 13, 2019 through December 31, 2019 unless extended, amended, or terminated in writing by CITY.
7. INDEPENDENT WORK CONTROL

It is expressly agreed that in the performance of the service necessary for compliance with this agreement, FIRST PARTY shall be and is an independent contractor and is not an agent or employee of CITY. FIRST PARTY has and shall retain the right to exercise full control and supervision of the services and full control over the employment, direction, compensation and discharge of all persons assisting FIRST PARTY in the performance of FIRST PARTY’s services hereunder.
