Agreement for Use of INRIX Traffic Data Services Provided Under the Leidos – INRIX Subcontract for GPS Probe-Based Traffic Data Vendor Services in the San Francisco Bay Area

The City of Menlo Park (hereinafter “Agency”) represents that the Agency is an authorized partner agency of the Metropolitan Transportation Commission (“MTC”) and requires access/use of the data and services as procured under the Purchase Order between Science Applications International Corporation (hereinafter “SAIC”) and the Statement of Work for GPS Probe-based Traffic Data Vendor Services in the San Francisco Bay Area Between SAIC, predecessor in interest to Leidos, Inc (hereinafter “LEIDOS”) and INRIX, Inc. dated October 23, 2012 (“Agreement”). Pursuant to the Agreement, INRIX will provide Agency with the requested data at no additional charge.

The Agency, its agents and employees, understand and agree to comply with the terms and conditions in the Agreement relative to data ownership and licensing.

Agency understands and agrees that MTC, LEIDOS and INRIX reserve the right to terminate the Agency’s access to and utilization of INRIX services and data in the future in the event of inappropriate use or unauthorized disclosure.

In the event Agency becomes aware of an inappropriate use or unauthorized disclosure, Agency agrees to provide immediate verbal notice and subsequent written notice within 24 hours to the following:
