Vote Center Additional Information Form

Tuesday, November 3rd, 2020 - Presidential General Election

Thank you again for agreeing to host a Vote Center in your facility, **Arrillaga Family Recreation Center—Sequoia Room**. Below you will find additional information the Registration & Elections Division requires from you, as well as additional information for you regarding Vote Center operations.

As set out in the Use Agreement form provided previously, your facility will host a Vote Center during the period from October 31st through November 3rd, which is Election Day. **Approximately four hours will be required both the day before the first day of operation, and the day after Election Day**, for the set up and removal of equipment. Additionally, **approximately 30 minutes will be necessary each day before and after the operational period** of the Vote Center to secure and store equipment. If your facility cannot provide this time, please contact our office immediately.

Please describe how our staff can gain access to your facility on a daily basis during the Vote Center's operational period:

Based on the official voting poll hours detailed in the agreement, staff will be scheduled 30 minutes prior to unlock the facility. Staff will also lock the Sequoia room when voting has concluded for the day. We request from San Mateo County that they adhere to the times listed in the official agreement and if there are any changes to the times that we receive at least two weeks' notice of any revisions.

All Vote Centers require real-time access to the San Mateo County's voter registration system. We would like to use your facility's ethernet or WIFI to connect our Cradlepoint AER 2200 router to access the San Mateo County network. Please confirm the type of network connection that can be used by San Mateo County Elections Division during the November election cycle.

1. Connection type(s) that San Mateo County Elections can use:

- Ethernet Private Wi-Fi Public Wi-Fi None - Elections will need to provide their own connection

2. If you have ethernet, what kind of configuration do you have:

- Static IP DHCP Address Other

3. If you have a Public WIFI, does it include a login page authentication? Yes No

Wi-Fi Name: Menlo Guest Net

4. If you have a Private WIFI:

Wi-Fi (SSID) Name: _____ Wi-Fi Username: _____

Wi-Fi Password: _____

Based on the responses above, we may require additional information. Please provide the following:
