 2. Deliver to the CITY all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated or produced by FIRST PARTY in performing work under this agreement, whether completed or in process.

- B. The CITY reserves the right to waive any and all breaches of this agreement, and any such waiver shall not be deemed a waiver of any previous or subsequent breaches. In the event the CITY chooses to waive a particular breach of this agreement, it may condition same on payment by FIRST PARTY of actual damages occasioned by such breach of agreement.

20. SEVERABILITY

The provisions of this agreement are severable. If any portion of this agreement is held invalid by a court of competent jurisdiction, the remainder of the agreement shall remain in full force and effect unless amended or modified by the mutual consent of the parties.

THE RECRUITMENT PROCESS

Bob Murray & Associates' recruiters are specialists in finding the perfect fit, providing security and fairness to candidates and clients while ensuring the integrity of the search process. We understand that superlative recruiting for the Police Chief will lead to superlative results for the City of Menlo Park. Outlined below are the steps in our proven recruitment process, refined through our 30+ years of experience in executive search.

STEP 1 DEVELOP THE CANDIDATE PROFILE

Our understanding of the City of Menlo Park's needs will be key to a successful search. Joel Bryden will meet with the City Manager and key stakeholders to learn as much as possible about the ideal candidate for the Police Chief position. We want to become familiar with the values and culture of the organization, as well as to understand the current and future issues, challenges, and opportunities in the City of Menlo Park.

Mr. Bryden will review and help define the City of Menlo Park's wish-list regarding the ideal candidate's personality, management style, knowledge, skills, and abilities and will work with the City of Menlo Park to identify expectations regarding education and experience. The City Manager and Mr. Bryden will discuss compensation, benefits, and other key information necessary to ensure that outstanding candidates are attracted to this opportunity. The profile we develop together at this stage will drive subsequent recruitment efforts.

Optional Service: Community and Staff Involvement

We find that many of our clients value a recruitment process that opens the opportunity for community members, business leaders, organization representatives, and employees to provide input regarding the ideal candidate. Our recruiters are skilled in designing and facilitating forums, town hall meetings, and online surveys that allow equitable involvement from a variety of constituencies and in consolidating feedback into a cohesive narrative of common themes.

If the City of Menlo Park so desires, we will work with the City Manager to create a customized community and/or staff input process.

STEP 2 DESIGN/DISTRIBUTE BROCHURE AND ADVERTISEMENTS

Mr. Bryden and your dedicated Recruitment Coordinator will use the candidate profile developed with the City of Menlo Park to create a professional recruitment brochure, with the assistance of our professional graphic designer. The four-page, full-color brochure will describe the community, organization, position, ideal candidate, and compensation and will include pictures provided by the City of Menlo Park that you feel best represent your organization and your community.

Upon your approval, Mr. Bryden will send the brochure by postal mail and email to a targeted audience, personally inviting potential candidates to apply for the Police Chief position. We will also place the recruitment brochure on our website, which attracts over 11,000 unique hits weekly and is a trusted resource for candidates seeking executive and professional positions. Two sample brochures are included in this proposal package for your reference.

Mr. Bryden will also design an effective advertising campaign appropriate for the Police Chief recruitment. Our broadest outreach comes through our active social media involvement on Facebook, LinkedIn, and Twitter, where upcoming and current positions are posted. Sources such as *Western City Magazine*, the “Jobs Available” newsletter, and the Careers in Government website will be used to reach an extensive local government audience, while position-specific postings will be chosen to attract candidates who have built their careers in and are committed to the Police Chief field.

Suggested Police Chief-specific advertising sources for the City of Menlo Park’s search include:

- California Police Chiefs
- Hispanic American Police Command Officers Association
- National Organization of Black Law Enforcement Executives
- National Association of Women Law Enforcement Executives

Bob Murray & Associates does not typically place ads with job aggregators or general job posting sites such as CareerBuilder, Monster, or Indeed, as we have found that the broad reach of these sites does not necessarily lead to quality candidates for executive and professional positions.

Reaching Diverse Candidates

Bob Murray & Associates, a woman- and minority-owned business, is proud of its commitment to attracting and placing diverse candidates. Not only do we place advertisements with websites designed to attract minority and female candidates, but our President, Valerie Phillips, is a member herself of many diversity-focused organizations including the Local Government Hispanic Network, the League of Women in Government, the Professional Women’s Network, Mexican Professionals, and Women Leading Government. She networks frequently with fellow members to gain insight into which potential candidates are leaders in their field.

Mr. Bryden will seek to reach candidates in communities and organizations with demographic profiles and populations served like that of the City of Menlo Park, to maximize the potential for individuals from a wide variety of backgrounds, cultures, and life experiences to be considered for the Police Chief position.

STEP 3 RECRUIT CANDIDATES

The strongest candidates are often those who are successful and content in their current positions and need to be sold on a new opportunity. Our extensive network of contacts, developed through over 1,400 successful placements, is a primary source for identifying and obtaining referrals for these candidates. Our in-house database of 40,000 current and former executive and professional candidates is a valuable resource that can only be built over time—time that we have invested into perfecting our process for finding the right candidates for our clients. Our aggressive outreach efforts are focused on phone calls to personally invite potential applicants, answer questions, and allay any reservations, and these efforts are essential to the success of the Police Chief recruitment.

STEP 4 SCREEN CANDIDATES

Following the closing date for the recruitment, Mr. Bryden will screen all resumes we have received, using the criteria established in the candidate profile as a basis upon which to narrow the field of candidates. Internal candidates receive sensitive consideration, and Mr. Bryden will discuss with the City Manager how the City of Menlo Park wishes to proceed with these candidates.

STEP 5 CONDUCT PRELIMINARY INTERVIEWS

Mr. Bryden will personally interview the top 10 to 15 candidates from the resume screening, with the goal of determining which candidates have the greatest potential to succeed in your organization. To reduce travel-related expenses to our clients and increase efficiency in the search process, these interviews are typically conducted via Skype, FaceTime, or other convenient videoconferencing applications.

During these in-depth interviews, Mr. Bryden will explore each candidate's background and experience as it relates to the Police Chief position, such as significant accomplishments, size and scope of responsibility, and organizational culture. In addition, Mr. Bryden will discuss with the candidates their motivation for applying for the position and assess his/her knowledge, skills, and abilities. We will devote specific attention to establishing the likelihood of the candidate's acceptance of the position if an offer of employment is made.

STEP 6 SEARCH PUBLIC RECORDS

Under the direction of Mr. Bryden, your dedicated Recruitment Coordinator will conduct a review of published print and online articles for each recommended candidate. Sources include Lexis-Nexis™, Google, social media, and our contacts in the field. This will alert Mr. Bryden to any further detailed inquiries we may need to make before our recommendations are finalized.

STEP 7 MAKE RECOMMENDATIONS

Based on our findings during the preliminary interview process, Mr. Bryden will recommend a limited number of candidates for your further consideration. He will make specific recommendations and will help facilitate discussions regarding the candidate pool, but the final determination of those to be considered will be up to you.

We typically recommend 6-8 candidates that we feel will best match your expectations, and we prepare a detailed written report on each candidate. This bound report provided to each member of the decision-making body includes:

- Candidate list with Recommended Finalists identified in *Group 1* and *Group 2* (primary and secondary recommendations), as well as *Internal* candidates
- Summary of experience, education, and salary information for each Recommended Finalist candidate
- Complete cover letter and resume for each Recommended Finalist candidate
- List of *Other Applicants* (those who did not meet minimum qualifications or were otherwise unsuitable, based on our screening process)

Bob Murray & Associates maintains all search records for a period of seven (7) years following each recruitment, and we are happy to forward cover letters and resumes for each applicant by postal mail or email as soon as the recruitment closes to new applications.

STEP 8 FACILITATE FINAL INTERVIEWS

Our years of experience will be invaluable as we help you develop an interview process that objectively assesses the qualifications of each candidate. We will work with the City of Menlo Park to craft and implement an interview approach that fits your needs. This may include individual and panel interviews by the City Manager and key stakeholders, community/employee interview panels, writing and presentation samples, meet-and-greets, or another specialized process element Mr. Bryden helps the City of Menlo Park to design.

Mr. Bryden will be present on-site during the interviews to facilitate as necessary during the process and to guide discussion to consensus regarding final candidates. Bound interview books will be provided to each interview panel member containing:

- Recruitment brochure with candidate profile
- Interview schedule
- Suggested interview questions
- Experience summary, cover letter, resume, and rating form for each candidate
- Ranking forms for use during the panel interview process

We will work closely with your staff to coordinate and schedule interviews and candidate travel. Our goal is to ensure that each candidate has a very positive experience, as the way the entire process is conducted will influence the final candidates' perception of your organization.

STEP 9 CONDUCT BACKGROUND AND REFERENCE CHECKS

Mr. Bryden and your Recruitment Coordinator will conduct detailed reference checks for up to three (3) final candidates. To gain an accurate and honest appraisal of the candidates' strengths and weaknesses, we will talk candidly with people who have direct knowledge of their work and management style. In addition to gaining a 360-degree view of candidates from the perspective of their supervisors, subordinates and peers for the past several years, we will make a point of speaking confidentially to individuals who may have further insight into a candidate's abilities but who may not be on their preferred list of contacts.

Your Recruitment Coordinator will work with candidates and our professional backgrounding firm, HireRight, to conduct credit, civil litigation, and motor vehicle record checks and verify candidates' degrees.

STEP 10 ASSIST IN NEGOTIATIONS

We recognize the critical importance of successful negotiations and can serve as your representative during this process. Mr. Bryden knows what other organizations have done to put deals together with great candidates and what the current market is like for Police Chief positions in organizations like the City of Menlo Park's. He will be available to advise you regarding current

approaches to difficult issues, such as housing and relocation. We will represent your interests and advise the chosen candidate and you regarding salary, benefits, and employment agreements, with the goal of putting together a deal that results in the appointment of your chosen candidate. With our proven experience and vested interest in a positive outcome, we can turn a very difficult aspect of the recruitment into one that is straightforward and agreeable for all parties involved.

COMPLETE ADMINISTRATIVE ASSISTANCE

We receive many unsolicited testimonials each year from clients and candidates alike noting our prompt, considerate, accurate, and professional service during the search process. Throughout the recruitment, in time intervals that suit the City of Menlo Park, we will provide you with updates on the status of the search and attend to all administrative details on your behalf.

Candidates receive immediate acknowledgement of their applications, as well as personal phone calls and/or emails (as appropriate) advising them of their status at each critical point in the recruitment. Candidates who receive preliminary or final interviews and are not chosen to move forward in the interview process will receive personal calls from Mr. Bryden on behalf of the City of Menlo Park.

It is our internal company standard that all inquiries from clients and candidates receive a response within the same business day whenever possible, and certainly within 24 hours if the inquiry is received during the work week. Mr. Bryden will be available to the City of Menlo Park by office phone, cell phone, and email at any time to ensure a smooth and stress-free recruitment process.

His clients retained him again and again, given the quality of his work and success in finding candidates for difficult to fill positions.

As our Founder, Bob currently takes on few searches personally but continues to be an active presence at Bob Murray & Associates, providing valued insight and experience to our team members regarding all aspects of the recruitment process.

Mr. Murray received his Bachelor of Science Degree in Criminology from the University of California at Berkeley with graduate studies in Public Administration at California State University at Hayward.
