APN: 062-384-070

WHEREAS: The Easterly portion of the Party's real property adjoins an unpaved access alley which runs in a North-South direction and exits to the public street, Walnut Street on the South, in the City of Menlo Park, County of San Mateo, California:

WHEREAS: Pursuant to the requirements of the City of Menlo Park, the party desires to memorialize their agreement providing for the improvement and maintenance of the access alley from its entrance at Walnut Street to the East side property line of 622 Laurel Avenue. (see attached EXHIBIT A)

IT IS HEREBY AGREED by the undersigned Party as follows:

1. This agreement shall be in effect for the period beginning on 21 SEPTEMBER 2015, and ending on the date, if ever, the access alley becomes

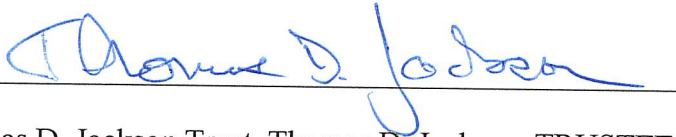

a dedicated public street subject to maintenance and repair by a governmental entity.

2. The undersigned Party shall bear all costs and expenses of improving and maintaining an all-weather surface in accordance with City of Menlo Park standards for the access alley over that portion of the access alley which runs from its entrance at Walnut Street to the East side property line of 622 Laurel Avenue. (see Exhibit A).
3. If another property owner makes use of the section of the alley described in Paragraph 2, above, such owner shall pay his or her proportionate share of the improvement and maintenance costs of the access alley to the undersigned Party pursuant to California Civil Code Section 845.
4. If any other maintenance agreements have already been recorded on this alley and are disclosed by the City of Menlo Park to Party, or become recorded at a later date and are so disclosed, the undersigned Party shall use its best efforts to enter into an amended agreement with these other property owners to provide for joint sharing of maintenance costs. "Joint sharing of costs" shall mean that all properties are responsible for an equal share of all maintenance costs for the alley up to the farthest property recording such agreements, unless the property owners are able to reach a private agreement for an alternate cost sharing scheme.
5. This Agreement pertains solely to the costs and expenses of improving and maintaining an all-weather surface in accordance with City of Menlo Park standards for the access alley and no way shall such Agreement apply to or create any liability on the part of the undersigned Party, including but not limited to liability from personal injury or property damage, resulting from use of or access to the alley by any third parties, including but not limited to, the owner of any property whose property abuts the access alley from its entrance at Walnut Street to the East side property line of 622 Laurel Avenue.
6. Any disputes arising out of this Agreement, whether in law or equity, shall be decided by binding arbitration pursuant to the rules then applicable of the American Arbitration Association or JAMS/Endispute as selected by the party initiating the arbitration. The Arbitrator shall determine the prevailing party and shall, either in the same proceeding or in a separate proceeding, determine and award to the prevailing party as against the non-prevailing party the costs of the arbitrations, including the prevailing party's attorneys' fees and expert witness fees.
7. This Agreement is for the benefit of the City of Menlo Park and all lands owned by the City of Menlo Park in the vicinity of the above described real property. This Agreement shall constitute a covenant running with all of the lands described herein above, including land owned by the City of Menlo

Park. This entire Agreement, and all rights and obligations in and arising from it, shall be effective and binding upon the undersigned Party's respective successors, assigns, purchasers, transferees, and heirs, and any and all future owners of the real property described herein above.

8. This Agreement shall be interpreted and enforced under the laws of the State of California with venue in San Mateo County.
9. This Agreement may be modified only in writing signed by the undersigned Party or their attorneys, agents, successors, assigns, purchasers, transferees, and heirs, and signed and approved by the Community Development Director of the City of Menlo Park. If any provision of this Agreement is invalid under any applicable statute or rule of law, it is to that extent deemed omitted, and the rest of this Agreement shall continue in full force and effect.
10. The waiver or failure of the undersigned Party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further right hereunder.
