

## Chapter 2

# List of Commenters

---

This chapter includes a list of the agencies, organizations, and individuals who commented on the Draft EIR (Table 2-1) prior to the close of the comment period. The comment letters submitted and the responses for each comment are included in Chapter 4, *Responses to Comments*. The comment letters have been numbered as shown in Table 2-1 and include letters and emails. The individual comments within each letter have been numbered in the left margins. The location of the responses for each letter is indicated in Table 2-1. Note that all attachments, appendices, and exhibits included in the letters are provided in Appendix 2 of this document.
