LIBRARY ASSISTANT I

DEFINITION

Under immediate supervision, provides customer services support for library operations and programs including circulation, collections, branch library, and program support; provides direct service and assistance to library patrons; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED

Receives immediate supervision from assigned supervisory or management staff. May provide technical and functional direction to volunteers and temporary staff.

CLASS CHARACTERISTICS

This is the entry-level class in the Library Assistant classification series. This class is responsible for providing support for assigned library operations and/or programs. Positions at this level are not expected to function with the same amount of knowledge or skill level as positions allocated to the II level and usually exercise less independent discretion and judgment in matters related to work procedures and methods. Work is usually supervised while in progress and fits an established structure or pattern. Exceptions or changes in procedures are explained in detail as they arise. As experience is gained, assignments become more varied and are performed with greater independence.
