

Overdrive eBooks and eAudiobooks on phones and tablets (Android, iOS, some Chromebooks) using Libby app

Install free **Libby by Overdrive** app from the Apple App Store or Google Play

Open app and answer the introductory messages:

Welcome! Thousands of public libraries offer ebooks and audiobooks (for free!) in Libby. Let me ask you a few questions, to guide you to your library.

First question: do you have a **library card**?

Yes Not Yet

Okay! If you have Libby on another device, you should simply copy your cards across.

Copy From My Other Device

Otherwise, you can look up your library by name or location

I'll Search For A Library

Of course, there's an easy way. Shall I **guess your library**?

Yes, Guess My Library

Type **Menlo Park** and Click **Peninsula Library System** when it appears

You can search for your library by name or branch location.

menlo park

MATCHING LIBRARIES

Peninsula Library System

Menlo Park Library - Main
800 Alma St
Menlo Park, California, USA

+ 41 MORE BRANCHES

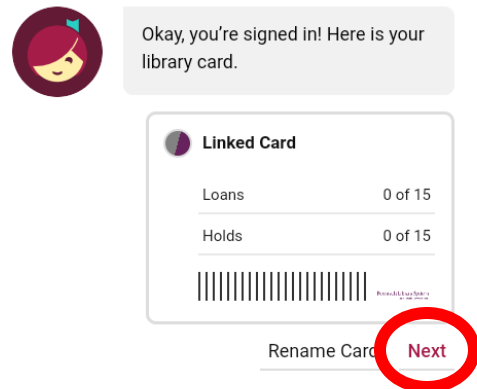

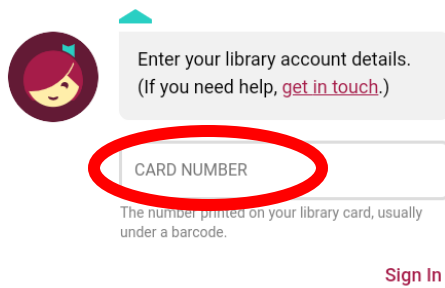

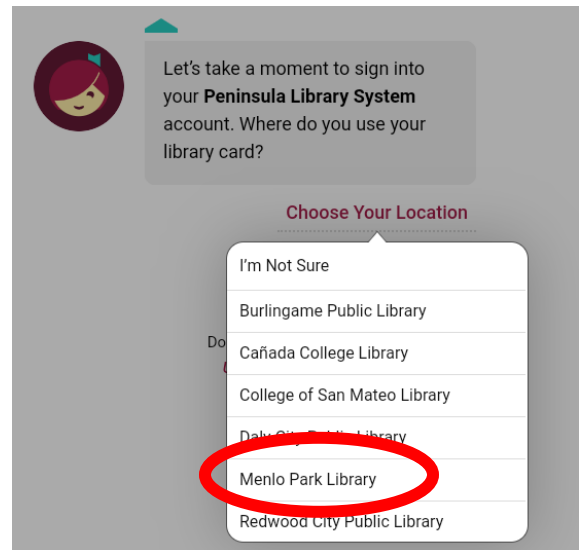

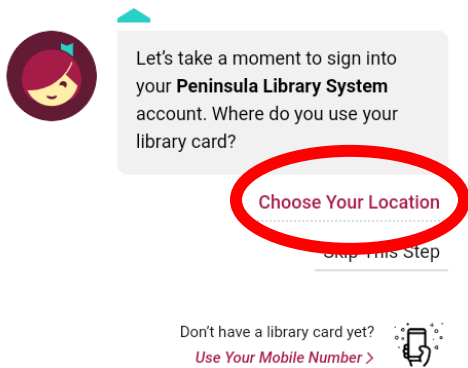

Many books at **Peninsula Library System** can be sent to Kindle.

If you have a Kindle, we can streamline the way you send books to your device. (It's easy to change this preference later.)

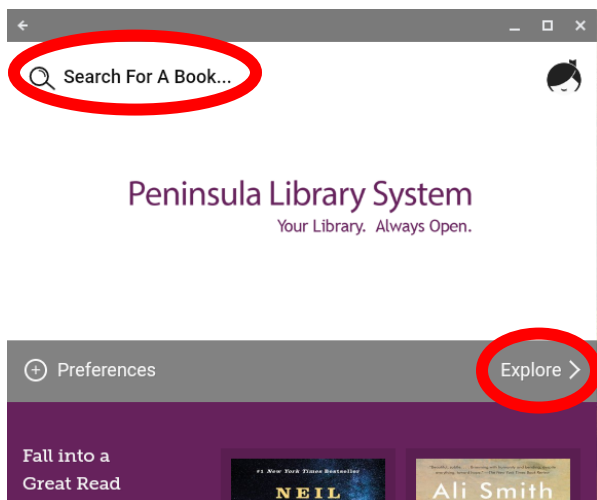

I'll Mostly Read On A Kindle

Of course, Libby has a great built-in reader. If you don't have a Kindle, or you simply prefer to read on this device, go ahead!

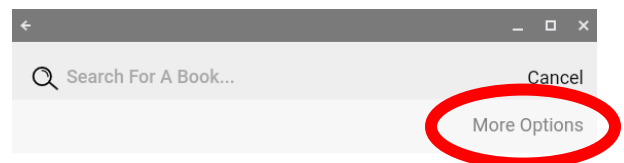

I'll Mostly Read In Libby

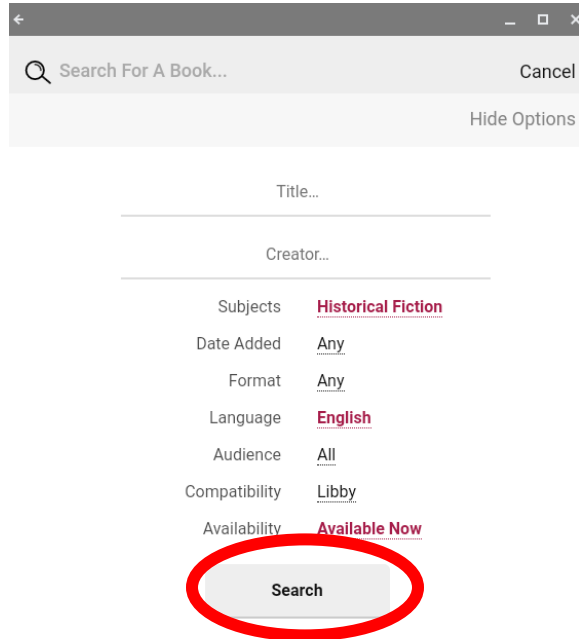

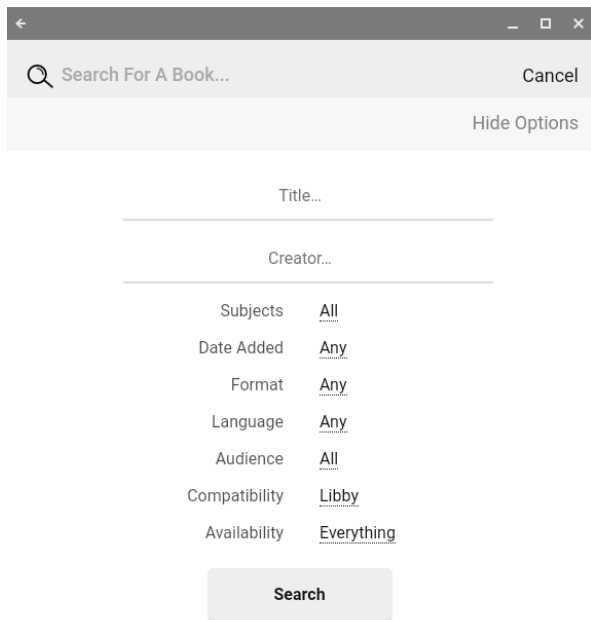

You're done with setup!
Click **Search For A Book**
(or Explore would let you browse for a book)

After clicking **Search For A Book**,
click **More Options**

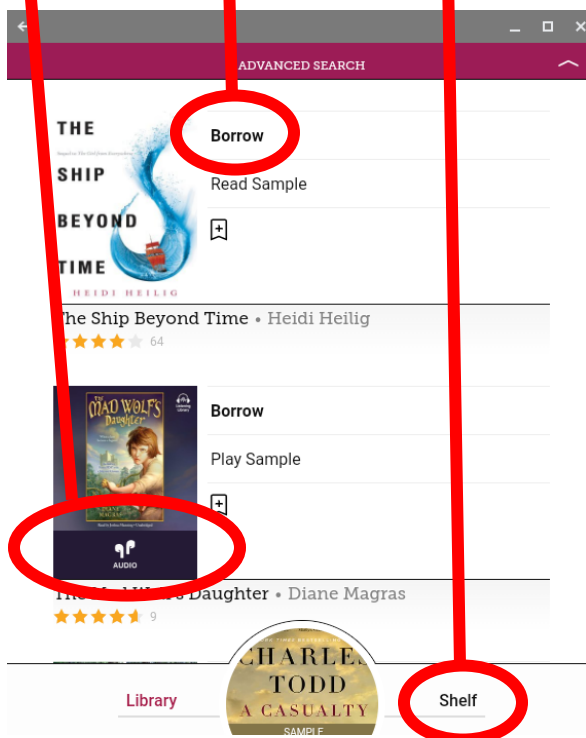

Choose ways to refine your search. You don't have to type in a Title or Creator

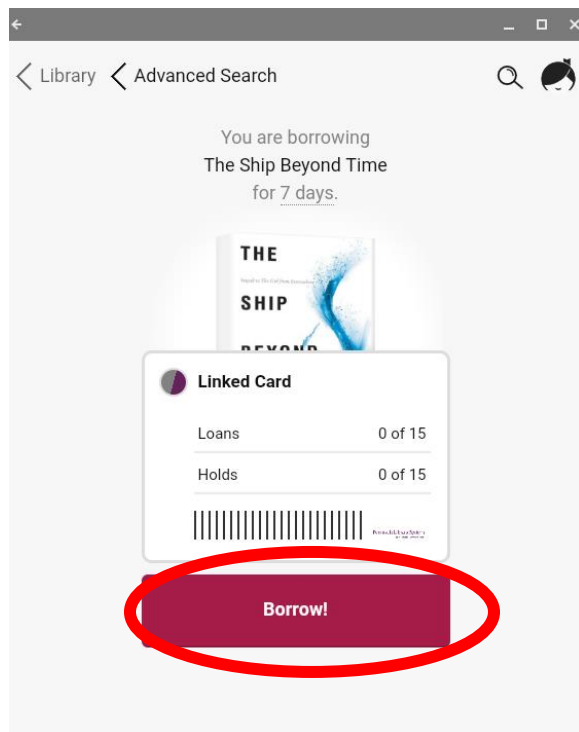

View your search results.
Audiobooks will have an earphone icon

Click **Borrow** to check out a book

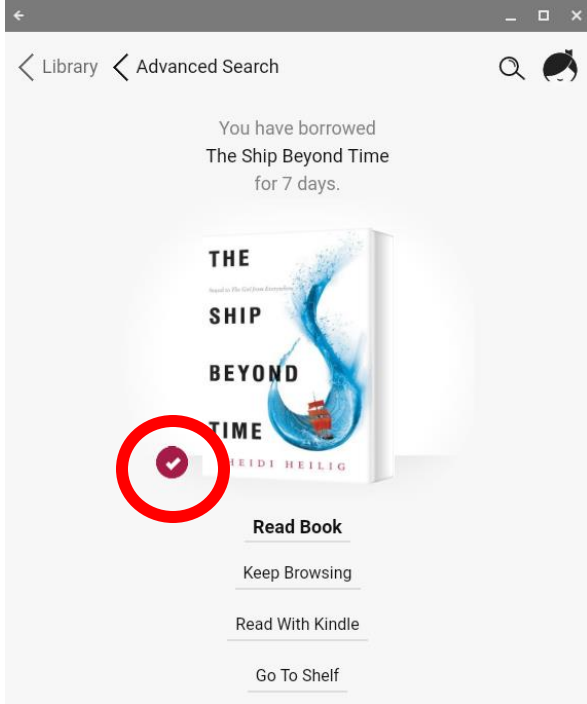

Shelf will show all
your holds and items

Click **Borrow** again

The book will automatically download to the Libby app, and show a check mark when done

Enjoy reading!
